With determination in hand, forge your own path to the future.

"Dragon god! Grant me power!"

With Shooting Star's defeat, Kirik gained newfound power from the creature's blood.

"This is where the shocks begin."

Shaela returned from the Lightning Cave with a mind to call her new power the Thunder Parasol.

The weather is rain.

"This is where the shocks begin."

"To the end!" Gil said. "Now we're setting, as she knows the end was far and sorry."
